WHY THIS UNIVERSITY?

International Student–Friendly System

Application, evaluation, and registration processes are transparent and systematic.

Wide Range of Graduate Program Options

Opportunities to study in different fields in master's and doctoral programs.

EASY APPLICATION PROCESS

Online Application

Applications are made entirely online.

Fast Results and Acceptance Letter

Acceptance documents are sent via email after evaluation.

ACADEMIC PROCESS

Advisor Support

Each student is assigned an academic advisor.

Flexible Course Selection

A course plan is created with the approval of the program and advisor.

CAMPUS AND LIFE

Safe and Quiet City

Affordable living conditions suitable for education.

IMPORTANT ADVANTAGES

- Education in accordance with official and current legislation
- Transparent admission process
- Special arrangements for international students

TURKISH PROFICIENCY

Who Needs It?

It is mandatory for international students accepted into postgraduate programs where the language of instruction is Turkish.

Required Level

A Turkish proficiency certificate at least at B2 level is required.

Timeframe

The certificate must be submitted within 1 year from the date of final registration.

Where to Obtain It?

Our University's TÖMER

Other Turkish language training centers accepted by the university

What Happens If There Is No Proficiency?

Students without Turkish proficiency will receive Turkish language training at TÖMER.

Course Enrollment

Students without Turkish proficiency can take a maximum of 2 courses per semester with advisor approval.

What If You Fail?

Students who do not reach the B2 level are given the right to take an additional exam.

Exemption Status

Candidates who have completed their education in Turkish are exempt from the Turkish proficiency requirement.
